ADMINISTRATION

Our principal, Mrs. Helen Farmer looks upon each student as an individual with potential. She takes time to help each student realize and develop this potential.

The position of Vice-Principal has been filled this year by Mr. Richard D. Chiara. Some of his duties are representing the school in different organizations, handling discipline cases, and extra activities.

We appreciate all the work he has done to get the school off to a good start.

Mr. Les Emigh is completing his first year as counselor at Delta High School. Some of his duties are planning the curriculum, help students with their schedules, and being their friend.

Mr. Robert Tomasini, Superintendent of River Delta Unified School District, has worked for and with us. He has given generously of his time and wisdom. Words are a poor substitute with which to express our sincere respect and admiration for this man.
